“ When Kaye called to let me know her sweet mom had passed my thoughts took me back to many years ago. Remembering, Billie, and how kind and soft spoken she was her voice had a smile and a cute laugh in it. Billie was the sweetest person I've ever had the pleasure of meeting. I have fond memories of her from my grammar school days. Kaye and I met at Carson Street School. I passed their house each day on my way to and from school. Some days I would see her she always had a smile and a wave. I saw her last when Kaye gave her a wonderful 95th Birthday Party. She loved talking, laughing, and visiting with everyone, and beamed with pride of her wonderful family that was gathered there. We had a great time celebrating her and what she meant to each of us. She will be greatly missed by those that knew her. What stands out most about Billie is what a strong, loving and dedicated Mother she was. She loved her family dearly, and that's what mattered most. I look forward to seeing her again...may she rest peacefully with our Heavenly Father, until we meet again, .sending love and prayers to her family.

With much love,
Olivia Close

“ I met Kaye through Rainbow Girls and then met Billie when she helped with the other Mom's at our functions. Although Billie had her plate full, she always showed up to help and was always very kind and sometimes funny. I believe she was a very strong woman who was very loving and very loyal to her family. She was a little quiet like my Mom so I was surprised when I found out the she too loved to go to the casinos with Kaye and have a good time. And she was ready to go with the grandkids anytime and just about any place. I think the last time I saw Billie was at her 90th birthday party. She still looked well and as the saying goes “ was sharp as a tack.” I'm sad that she didn't make 100. I felt she would. My heart goes out to her family, especially Kaye. When my Mom died at 91 I told myself that I was lucky I had her that long. It's a blessing but it still doesn't change the fact that we miss them so much. Hugs and kisses to Kaye and family.

“ We always enjoyed our lunches with Billie and Kaye. At Billie's last big birthday party, she introduced Bill as her "boy toy" and we all got a kick out of it. She loved to laugh. We will miss her! JoBeth and Bill Cooper
