“ Charlotte was an amazing coworker, friend and role model. From meeting her at Kaiser about 15 years ago she became a very dear friend to me and I will forever hold her in my heart! From our road trip to Texas and back to California and our many adventures I would drag her on and she would so joyfully want to discover the world with me! I will forever miss you Charlotte, we were not done traveling and seeing all the things we had talked to about one day seeing. I love you and I am glad to have called you a great and ear friend to me. Rest in Paradise. Cathy- as she would call me.
