

Ernie Lowe

October 4, 1939 - January 13, 2021

Ernest Edward Lowe (Ernie) passed away on January 13, 2021 after a short battle with Covid-19. He was 81 years old. Ernie was born on October 4, 1939 to Eddie and Mabel (Ward) Lowe. He attended school in San Pedro, graduating from San Pedro High School, where he played Varsity Football. Ernie served in the U.S. Army from 1958-1961 in the 82nd Airborne. When he got out of the Army, Ernie started skydiving with his friend Manuel Cabrera, who belonged to the Latin Skydiver's Club. Eventually, Ernie was allowed to jump with them even though he stood out as the only non-Latino. That prompted Ernie to give himself the name Ernesto Lopez for when the need arose. Ernie was proud of the fact that he made over 100 skydives. Ernie loved to hike, hiking the Grand Canyon several times, as well as many other canyons. Ernie joined the I.L.W.U. in 1963. He was a proud union member, retiring as a foreman in 2007. Ernie Loved San Pedro and was a lifetime resident. He had always had a smile on his face and loved to laugh. He was a friend to everyone he met. Ernie is survived by many extended family members in Orange County CA and Mount Airy, NC Ernie also had many life long friends in San Pedro who considered him family and will forever miss him.

“ Ernie, I will never stop missing you, even though we've always been 3,000 miles apart. I'll never forget you looking around my house and calling all the trees "forests". You were so much fun and we have so many wonderful memories of you. We all loved you dearly. If I could say one thing to you today, it would be this: "Go Rest High on the Mountain, Ernie, You deserve it." I'll see you again someday, on the other side. Love, Donna

“ I looked forward to seeing Ernie every year at tax time. He always had a smile on his face and a box of Polly Ann bakery goodies in his hands to share. He shared wonderful stories about his family and friends. A truly kind and loving person. Rest in peace Ernie.

“ Ernie, my beloved, Lee, and I go back a long way! Ernie, and my Lee, grew up together, and when we got married in 1978, he became family to me, and his beloved parents, Mabel, and Eddie, became my 2nd parents! He always had a big smile on his face, and loved to tease me. I always looked forward to his Christmas cards. Sadly, the last time I heard from him is when he was in the hospital. I asked how he was doing, and he sent me a selfie, and said not good! That was the last time I heard from him. I will always miss you, your great sense of humor, and your wonderful Christmas cards! I believe you are are with our Lord, and are reunited with your beloved parents, and my beloved, Lee. I will miss you very much, my dear friend/family! Love, Christine

“ Ernie, although we did not see each other much in life there are a few memories I recall over the years. You and your dad drove across the country in that VW camper van to come to a Lowe reunion, I think it was 1977....my wife and I had only been married a few months. A family member snapped a photo of my wife and I standing next to your van and you were looking at my Honda 750 motorcycle. I think back how much fun that must have been for you and your dad to share a trip like that. Another time you were back in our neck of the woods and you came to see our daughter Jessica in the hospital after some serious surgery. You brought her a little teddy bear/balloon and you were so nice to her. You always sent us a Christmas card each year. I wish I had spent more time getting to know you and could learn more about your life. I wish you a good journey home and you will be remembered fondly. That is all one can really ask for. Farewell for now cousin Ernie, Love, Terry and Vickie Bowlin

“ Ernie was my very first “adult” boyfriend/ girlfriend relationship. I could not have picked a better boyfriend. We dated for two years. I was 18 and he was 29. Ernie was a gentleman, a very kind, thoughtful, wonderful and generous person. He was well liked by everyone. I really liked that about him. It gave me a sense of feeling “lucky” and proud to have him as a boyfriend.

Ernie loved to play a good joke on you and have a good laugh. Ernie was significant and relevant person in the lives of many people he crossed paths with. He was always supportive of my education goals and career aspirations. Ernie was a good mentor. I will always credit him in part with my success (s) in life. My family really really liked Ernie.

Although we went our separate ways after two years of dating, we always remained friends and enjoyed running into one another. I will always, always think of Ernie in the best of terms. I will always have great memories of him. I will miss knowing he is gone but, I will always “smile” every time I think of him and hear his name. Rest In Peace my dear friend, Patricia Guerra York
