

Georgia Childs

September 24, 1937 - July 3, 2019

The love we have for you can never be measured. You are simply incredible! Putting GOD first in our lives, you are the essence of love and caring.

So thoughtful and kind, so willing to stand shoulder-to-shoulder in support.

You are one of a kind. You have touched so many hearts along your journey, beginning on Crawford Hill, to the hills of Rancho Palos Verdes, is an incredible story.

Dad said, "she is the most decent, respectable person I have ever met."

We are going to love and miss you more everyday. You live in our hearts. We will try to live with the values you have instilled in us. You are in the Kingdom of Heaven. We will all be together again in the Glorious Kingdom of GOD.

We love you mom!

“ Georgia and I came to Los Angeles from Texarkana, Texas where we had been classmates at Dunbar High School. We were planning a joint marriage ceremony but decided we each should have our own day. I set my date in August and she set hers in September 1957. Through the years we have maintained contact and friendship. We recently had planned to meet for dinner with others from Dunbar, but God took her home. I cried when Leo11 told me. I smile now thinking of Georgia and Leo together again.

“ I Met Georgia through Her younger Sister Norma. Norma & I were Childhood Friends. We met in Jr. High School. When I visited Norma I saw so much Love in Her Family especially from Georgia toward Her Baby Sister. She would lovingly call Her Jeannie (Norma's) Middle Name. It was how She said Her name and look at Norma. I loved Georgia's Beautiful eyes & Smile. I wasn't Family & didn't feel it was appropriate to call Norma Jeannie. I do refer to Norma as J though to this day. I pray to The Lord above to comfort the Family for such a time as this in Jesus's Mighty Name.

“ Over the last few days, I have struggled with the fact that

Georgia is gone. We were friends for 70 years. I met her in 1949

when we were in the 7th grade at dunbar high school in texarkana, texas. I will admit, I survived high school - Georgia soared. She was the highest academic achiever in our class. Not only was she smart, she was a virtuous, kindhearted and thoughtful human being.

GEORGIA WAS SPECIAL. She was my friend and I will remember her with great affection.

“ My Dearest Aunt Georgia,

I love you so much, and it is very hard to accept that you are gone. I will miss our long telephone conversations, and that very, very sweet voice. I am so grateful for all your informative lessons on family history. I feel like I got acquainted with the grandmother I never knew because of you. Every time I visited your home I felt so welcome and enjoyed your grand hospitality. How I appreciate all of your love and how you encouraged me tremendously with my entrepreneurial adventure. You were one of the most beautiful women I have ever met, both inside and out, and I will never forget you.

Your niece,
