

## Jack Edward Wolinsky AKA John Edward Wolinsky

February 28, 1931 - March 30, 2019

Jack E. Wolinsky, age 88, Canadian born and raised, later USA citizen. He passed away peacefully in his home on March 30, 2019, in Torrance, California, USA, surrounded by his family.

He was born at Hotel-Dieu Grace Hospital in Windsor, Ontario, Canada on February 28, 1931. He loved the outdoors; he fished, golfed, hunted, hiked and traveled. He practiced Roman Catholic religion his entire life.

While attending a Knights of Columbus dance, he met Anne V. Thibert who became the love of his life. They honeymooned in Quebec City and Montreal and later had three children. In the mid-1960's, Jack moved his family to California to be closer to his brother Lawrence and family.

Jack worked in car sales and management, both in Canada and USA. He was a successful businessman and purchased a newly constructed cabin which he called "the Wolinsky Chalet" in Big Bear Lake, California. This beautiful second home reminded him of the natural beauty of Canada.

Jack is survived by his wife of 64 years, Anne and his children, Deborah Wolinsky Reynoso (Ron) Redondo Beach, CA, Mark J. Wolinsky (Linda), Santa Cruz, CA and Colette Dunn-Kottke (Karl), Lomita, CA. He is also survived by his brother Lawrence Wolinsky, Sun City West, AZ, and by his grandchildren: Jeff Moreno, Nicole Reynoso, Cassandra Dunn and Joseph Wolinsky, as well as his great-grandchildren: Corinne, Elianna and Amelia.

Funeral will take place in the Memorial Chapel on April 13, 2019 at 2:00 p.m. To send flowers and place memorials, please visit: <http://www.greenhillsmortuary.com>

“ Dearest family and friends,

My father was a wonderful man whom I truly will miss! I have many wonderful memories of his blessed life. He lived keenly, devotedly and thoughtfully. He was an athletic, tall man and always loved the people around him. His favorite pastime was spent in the outdoors, near the Angeles forest.

He was generous to me my whole life. From the weekly trips to my piano lessons to the ever-encouraging way he listened to my practices, to my final recitals in high school, he was attentive. When I choose to study architecture, he was the first to spontaneously create a vacation to Oregon, just so I got a preview of the university campus before I embarked on my move to Eugene.

I earned my sense of adventure from him! And, I learned to view life as a fabulous one but also as one which required total dedication and diligence to your vocation. When he purchased his orchard near Eureka, CA, I of course, was his first choice as an architect.

Unfortunately, he changed his mind but his appreciation of buildings, real estate and the environment were a source of inspiration for me, always.

To me, he was a man of grace. He loved his wife, children, family and friends with true gusto. He believed in God and had a sense of ethical standards that I try to live up to. He criticized me but showed concern for me at all times of the day, month or year. He was always "there" for me.

I feel others will miss him, too! He stuck to his traditional ways and tried to see as much of the Pacific Coast as he could. He traveled on cruises to Acapulco, Mexico and north to Alaska for salmon fishing. I will remember him from this photo taken in Alaska, where he was carefully dressed in a tan jacket with brown wide-wale corduroy slacks.

He really was a good man and loving father!  
I love you, Dad, always, your daughter, Deborah
