“ Thank you Rob for opening your heart and your home to me and my family. We shared our lives for the last 2 years and I'm so happy we did. You were the most generous and loving person I've met. I miss you every day. I have your picture next to Chloes bed and she falls asleep staring at you. I promise to take great care of her. I know you wanted a service so your loved ones could say goodbye but someone didnt get the message. I will for you cuz you deserve it. Rest in peace my love.
