“ Uncle Ron was quite a character and made this world a brighter place. I'll always remember his sense of humor and honesty. My sincere condolences to Nana and the rest of the Wixom family. My heart is with you in these difficult times.

“ Sincere condolences to Kristin, Rachel and Ron's friends and family. I had the pleasure of meeting Ron at a family function several years back - he was so kind to me, and we shared laughs and great conversation. Know that I will forever remember Ron, for in that brief time, he touched my heart. Sending love and light to his loved ones.

“ I just wanted to take this opportunity to express my sincerest condolences to my family for my Uncle Ronnie's passing. All of you are in my thoughts and prayers. I love you all. It is nice to know he is not suffering anymore and is watching us alongside Papa. Of course, he is probably waving at us...in his own way. Much love from Matt, Tami and River.

“ I had a memorable 3 hour visit with Ronnie on Sunday. We held each other close and expressed our love and affection for each other. He read to me the card I had taken to him. I told him he was my child of my heart and that sparked his memory of times together. He talked to John about his adventures with motorcycles. I told him God Bless You and Peace Be With You as we were leaving and he said the same to me. Because of the shirt I was wearing, Ronnie's last words to me were "Do All Things With Love." AMEN RONNIE, you are now a Holy Angel.

“ I was so saddened to hear of your passing. I am keeping you and your family in my prayers. I don't have too many childhood memories that don't include a Wixom, I think I may have spent more time t your house then my own. I always knew you as Hims and I seriously didn't know your name was Ronnie until I was a teenager. I will always remember you for your love of motorcycles, baseball and giving me Charlie horses.

Rest In Peace my friend!

“ Ronnie, I am so sad and devastated to have lost you. It's so surreal to me that my only brother is lost to us. I am grateful for the time we had, those fun and crazy childhood moments: camping, your little league games, staying up all night to watch the Jerry Lewis MD telethon, and mostly, me as a teenager peeking out the window to see which one of your cute friends you were hanging out with that day. All good memories, to be cherished in my sad heart forever. I love and miss you!!!!

“ No words can express our sadness on our loss of you. And once again we shed tears as we say goodbye to another Wixom gone too soon.

One of my favorite pictures is of you and I sitting on Grandpa's lap when we were infants.
Will miss you cousin!

Much love Pamela
