“ To my Precious and Beautiful Son, words and feelings can't describe how I feel about losing you. My Heart is broken in a million pieces and the void hurts so much. I can't believe your gone! I'm waiting to wake up and know that you are still with me and the family. I'm trying to be strong for everyone, but I know that the Lord is with me thru all of this and when I miss you he will give me peace to know that you are in a better place and I will soon be seeing you when its my time to leave. He knew your sufferings and disappointments thru this life that we walk. But at the end he is there to bring you home and take away all the pain and hurt that we experienced thru our life time. You are very special to me! You brought me joy and laughter thru out my lifetime, I was very proud of you and your accomplishments thru out your life. I will miss the special times we had together and laughter we shared about each other. Your Love and Humor will always be with me. Friends and Family will miss you also, you were always there for them. Kobe your true companion dog will be loved and cared for always. Sleep with the Angels my beautiful son, til we meet again in Paradise with our Heavenly Father. Your Mom Jeanne Santiago Lujan

“ My precious Sam,  
I will forever miss you! I loved you with my entire heart. You were the diamond of my eyes and the roses of my heart. You could do no wrong ever, and the joy and laughter that you brought to my life is unforgettable! You were so talented; thank you for sharing that talent with me over the years. My tears are only comforted in knowing that you are now in the arms of God and in His presence.

Jeanne, Melissa, Sandi - May the Lord God bestow His grace on us with His everlasting love through His Son, Jesus Christ. We will see Sam again in paradise.

II Timothy 2: 16-17

For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words.
