“ My heartfelt condolences go out to Janet Wong, Sun Yet Wong's children, and the rest of his family. My name is Robin Anderson, youngest daughter to Robert H. Anderson. When I was young enough to understand ...well...anything (I was young)... the Wong family was a part of our family's life; they were a boon and a comfort. Personally, I found it comforting when our families moved from one neighborhood to another, within a few doors apart, at that time.

When my Dad started MRI, I remember hearing how integral Sun Yet Wong was, in the formation of that company. Dad's stories to us, about the formation of MRI, always included Sun Yet Wong, well before it started. In short, Dad knew that Sun's brilliant mind, calming personality, trustworthiness, and strength would bring MRI to a level of success that they wanted. I have only heard words of the greatest respect that Dad had for him. Throughout all of the years of my Dad's life, he valued Sun's loyal and enduring friendship. That friendship was an example that formed my understanding of what enduring friendships were defined as, from what I saw and heard, especially from my Dad's point of view.

May you all know how fortunate we all have been to have fond memories with your family. I hope that you can feel all of the positive energies and love that surround you all, during this difficult time. His memory stays alive with you, extended family, and the stories that are shared by everyone that he touched, with his magnanimous and tender soul. Janet, I hope that you feel these energies, and that they help you stay strong, knowing that your partner is still with you...always.

All my best,
Robin Anderson

Dear Wong Family,

We are so glad that we were able to attend Uncle Sun Yet's memorial service in Rancho PV. The keepsake program was beautifully done and I will keep it as a memory of Uncle Sun Yet. Loved the photos! Thank you for the beautiful sharing from Cathy, Bryan, and Jonathan. The memories of your dad touched our hearts. We will always have fond memories of Uncle Sun Yet's smiling face, gentle spirit, and friendly personality. He always made everyone around him feel so special. The last time we saw him was in Hawaii when he flew out from California to attend my mother's birthday.

A big virtual Aloha hug to Auntie Janet. Glad we were able to see her today. Uncle Sun Yet and Auntie Janet did a wonderful job raising their family. He was so proud of all of them, especially since they are all USC Trojan graduates (something I learned today)!!! Our hearts and love are with the Wong family.
